

University Promotes 43 Faculty Members

The University of Arizona budget for 1957-58 approved by the Board of Regents provides for the promotion of 43 University faculty and staff members.

The acting head of the zoology department, Dr. Albert R. Mead, was named head of the department. He has been acting head since the retirement of the late Dr. George T. Caldwell.

Eight faculty members advanced to the rank of professor, and their fields are: Dr. Mitchell G. Vavich, agricultural biochemistry; Dr. J. Warren Stull, dairy science; Charles R. Hausenbauer, electrical engineering; Henry P. Johnson, music; Maj. Gen. Thomas H. Green, law; Dr. A. F. Gegenheimer, English; Dr. Arno R. Kassander, meteorology; Dr. James E. McDonald, meteorology.

Fifteen promoted to the rank of associate professor were: O. Floyd Pahnish, animal science; Robert A. Manhart, electrical engineering; Merle H. Wittmeyer, electrical engineering; Dr. George W. Lotzenhiser, music; Dr. George F. Sparks, speech; Mrs. Clara Lee Tanner, anthropology; Dr. William F. Irmscher, English; Dr. J. R. Beck, German; Dr. Rosendo A. Gomez, history and political science; Dr. Herman E. Bateman, history and political science; Dr. Deonisie Trifan, mathematics; Dr. Ralph C. Kauffman, philosophy and psychology; Dr. Loyal A. T. Gryting, Romance languages; Dr. Arthur H. Beattie, Romance languages;

Dr. E. Lendell Cockrum, zoology.

Dr. J. Melvin Rhodes, student placement assistant, was appointed assistant professor of education. Others advanced to the rank of assistant professor were: Dr. William F. McCaughey, agricultural biochemistry; Norman E. Landgren, agricultural economics; Dr. Raymond M. Turner, botany; Dr. Alec E. Kelley, chemistry; Dr. Oliver F. Sigworth, English; Dr. Lewis Hertz, philosophy; Dr. William J. MacKinnon, philosophy and psychology; Dr. Jack E. Davis, Romance languages; Dr. Timothy Brown, Jr., Romance languages; Dr. Joseph T. Bagnara, zoology; Dr. Frederick W. Waterman, zoology; Robert S. McGlothlin, agricultural economics.

Instructors named were: Martha S. Paylovich, bacteriology; and Robert B. Des Jardins and Lee Leon Sims, both associates in meteorology.

New ranks or titles approved by the Regents for the next academic year were: Dr. Chauncey O. Stanberry, soil scientist; Faye C. Jones, associate housing specialist, home economics; Dr. Robert B. Marlatt, associate plant pathologist.
