

FOR SCIENCE MEETING

20 UA Researchers Will Go To Berkeley

Twenty University of Arizona researchers will participate in the annual meeting of the American Association for the Advancement of Science Dec. 26-31 in Berkeley, Calif.

The organization's board chairman and retiring president is Dr. Laurence M. Gould, UA professor of geology. He will deliver his presidential address Dec. 28 on the subject, "Antarctica — Continent of International Science." He was director of the U.S. Antarctic Program during

the International Geophysical Year.

An estimated 2,000 papers, covering developments in all branches of science, will be presented at the sessions on the University of California campus.

UA participants will include Drs. John F. Lance, Kenneth K. Barnes, Joseph T. Bagnara, Louis J. Battan, James E. McDonald, Donald E. Myers, Edwin B. Kurtz, Robert K. Hilgeman, A d e n B. Meinel, Beverly T. Lynds, Harold C. Fritts, Charles W. Ferguson, Milo K. Blecha, A. Wayne Wymore and Robert W. Lansing.

Other UA participants will be Herbert N. Stapleton, Christina M. Richards, Gerald L. Kooyman and Peter J. Mehringer.
